

The clean image you want in less time

You're busy focusing on your business. So the last thing you need to worry about is your lobby being clean, your restrooms being disinfected and your floor mats being replaced. With scheduled service visits, Cintas will help keep every corner of your facility **ready™** — by restocking your restroom supplies and delivering fresh mats and towels. We even keep you at your professional best with deep-cleaned restrooms. Plus, we have expanded and added new products to your program.

RESTROOM SUPPLIES

No more running the risk of customers finding empty restroom dispensers. With our routine restocking service, you'll always have essential hand care, paper and air freshener products on hand — and your restrooms will be prepared for visits any time during the workday.

UNIFORM RENTAL

Your company's uniforms tell a story of professionalism, quality and service. They let customers know that your employees are capable and **Ready™** to serve. With Uniform Rental Service from Cintas, the details of managing a uniform program are completely taken care of, saving you time and money.

FACILITY SERVICES

You're busy focusing on your business. So the last thing you need to worry about is your lobby being clean, your restrooms being disinfected and your floor mats being replaced. With scheduled service visits, Cintas will help keep every corner of your facility **Ready™** — by restocking your restroom supplies and cleaning chemicals and delivering fresh mats, mops and towels. We even keep you at your professional best with deep-cleaned tile, carpets and restrooms. It all adds up to streamlining your day, saving time and money, and impressing your customers.
